Auntie Anne's, Inc. was founded in 1988 when "Auntie Anne" Beiler began twisting pretzels at a farmer's market stand to fund her husband's vision of offering free counseling to individuals in their community. Anne perfected the recipe and the popularity grew, first by word of mouth, and then, through franchised locations. Today, Auntie Anne's, Inc. supports more than 900 Auntie Anne's Hand-Rolled Soft Pretzels locations in malls and transportation centers worldwide. Auntie Anne's continues to give back to its local communities by supporting charitable organizations such as Children's Miracle Network.
